Description:

Perennials are enduring or continually recurring -- most notably as plant life -- that tend to come back season after season. This action guide is for Baby Boomers who are ready to bloom, looking for their next adventure, even heartier than the last season. Through engaging examples and self-

reflective exercises, this easy-to-read action guide provides retirees and mature workers “a career coach” to help guide their next steps. Your experience culminates with the development of a 7-day action plan that identifies opportunities to: • Fill the gap between retirement income to pay for basic needs • Generate income for fun after retirement • Generate income on the web • Improve that “dusty” resume
