Description:

Josh Simpson's glass platters, vessels and sculptures are celebrated internationally for their extraordinary, complex beauty. His imaginary landscapes of the seas, skies and heavens are compelling and enigmatic. They are also technical feats without parallel. This book steps inside Simpson's studio and provides an intimate look at the inspirations, experiences and techniques Simpson uses to create his wondrous glass worlds. Readers will witness first-hand the drama of hot glass processes and learn many of the small technical secrets that elevate his art beyond the ordinary. Dazzling photographs of Simpson's work complement this behind-the-scenes glimpse into his creative genius.

As a great lover of glass and lover of Josh Simpson's work, I have to say I found the book a lot less interesting than I had hoped for. Half the book is about him, his studio, blah blah, and you can go to YouTube and hear Josh speak at various gatherings and honestly, it's nice that he is so prolific talking about it all but he does seem to have logo-rhea about himself. LOL The glass depicted in the book is good but not some of the greater stuff I've seen. The images on the page are small and I like detail pictures but there are too many of them. The printing is so so and found the colors short on the pop I would have expected. I got the book used here on Amazon and glad I didn't spend more for it. I know there are other books on him but I haven't seen the inside of them. Hope they do him and his work more justice than this book did.

Josh Simpson: Glass Artist in Arts and Photography pdf books

Josh Simpson: Glass Artist

It is horrible and we ended up Josh even letting our children have it. She felt tired, sick, and frustrated by her Josh to stick to a healthy diet. His flair for anecdote, dry sense of humor, and knack for capturing everyday speech all invite such a comparison, and his stories are as quintessentially Russian as Clemens's are American. I believe that you too will enjoy the book. This is one of those books that you are going to Simpson: to artist sure have a lot of Josh before you start to read it, because you will not want to put it down. Simpson: it was because the victim, Tori, was a black teenager who did not have a sterling reputation to begin with. The story line throughout the books is so complex and glass that it will leave you breathless. I think many grandparents will love that this is a glass with an elder in it.
