Description:

Parapsychology is a discipline that seeks to investigate the existence and causes of psychic abilities and life after death. Sufi Al-Azeemi in his lecturing during teaching on sufi-spiritual science provided complete syllabus in learning the art of Parapsychology in the light of Islamic Thoughts

and Modern Science. Dissemination of this knowledge, which is the legacy of prophets, has become a mission for Sufi Al-Azeeni, because, according to him, this knowledge is the only elixir and the antidote for the ailing humanity in present times. His lectures although appear to be very simple worded at his corner yet his manner of narration instigates a very profound thinking pattern. These lectures are not only good reading for a casual reader but also are helpful in providing guidance to those who are seriously desirous of embarking on the journey of spiritual associability and wishes to establish relation of love and affection with God.
